This space seeks paintings, photography, sculptures, 2D, 3D or installations that fit or compliment the theme. Examples:

Media themes seeking: controversial, hidden agenda, taboos, secrets, discrimination, inequality, privileges, challenges to social norms, masks, cover -ups and other uncomfortable issues we sometimes choose to hide.

"Elephant in the room" is metaphorical idiom for an obvious truth that is either being ignored or going unaddressed. The idiomatic expression also applies to an obvious problem or risk no one wants to discuss, It is based on the idea that an elephant in a room would be impossible to overlook; thus, people in the room who pretend the elephant is not there have chosen to avoid dealing with the looming big issue.
